

Data Plan

1. Go to Account → Data Plan and choose your camera model.
2. Pick a plan and complete checkout.

4

Cellular Trail Camera

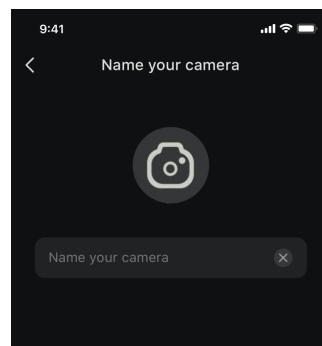

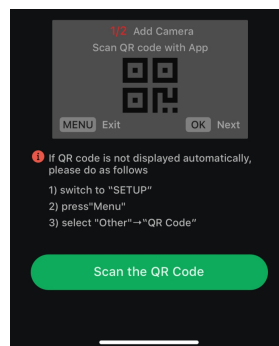

Quick Start Guide

1

App Setup

1. Scan the QR code to download the Trailcam Ace app.
2. Create your account and confirm it via the activation e-mail (check your spam folder).
3. In the app, tap Add Camera → Scan QR Code and follow the prompt to name your device.

2

Camera Preparation

1. Insert the antenna, SD card, SIM card, and 8 × AA batteries.
2. Turn the switch to SETUP and wait for a solid 4 G signal.
3. Press OK to capture a test photo and verify it appears in the app.
4. Move the switch to ON; the screen will shut off and the camera is now active.
